

Description of work to be done: _____

Is there a Site Plan attached? _____

Estimated cost of improvement: \$ _____

When permits are required to be obtained to repair violations cited against your Property, the permit will expire on the same date as the completion date for the violations

- 1) All contractors are to hold an Occupational License with the City of Newport, Kentucky. Contractors must hold applicable Kentucky State Licenses.
- 2) Permits obtained for the correction of violations will expire on the specified date on the violation notice.
- 3) Please provide sufficient information on the work you are proposing. Inadequate information will delay the issuance of the permit.

The owner of this building and undersigned do hereby certify that the information and statements given on this application, drawings and specifications are to the best of their knowledge true and correct. The owner and undersigned further understand that no work can begin until this application has been reviewed and approved by the Building Inspector, and the appropriate fees have been paid. Any work done that has not been approved by this Department will be in violation of the City of Newport's Building Code
