WHEREAS, the City of Newport, Kentucky (the "City") has heretofore determined that it is a public purpose to acquire, construct, install and equip multiple public projects comprised of various sidewalk, road and infrastructure projects, improvements to Festival Park, and underground utility upgrades (collectively, the "Project"); and,

WHEREAS, the City has determined that the present conditions of the municipal market are favorable and that it is therefore advantageous and in the best interests of the City for the City to proceed with the financing of the Project through the issuance of its General Obligation Bonds, Series 2021 in the approximate principal amount of \$11,720,000 (which amount may be increased or up to \$1,170,000 or decreased in an amount deemed by the City to be in its best interest) (the "Bonds"); and,

WHEREAS, pursuant to the Constitution and Laws of the Commonwealth of Kentucky, and particularly Sections 66.011 et. seq. of the Kentucky Revised Statutes, as amended (the "General Obligation Act") and Sections 58.010 et. seq. of the Kentucky Revised Statutes, as

amended (the "Public Project Act"), a city may issue bonds, subject to the requirements of the General Obligation Act and/or Public Project Act, to pay all or any portion of the costs of financing or refinancing any public project to the extent that such city is authorized to cause the acquisition, construction, installation and equipping thereof; and

WHEREAS, the City desires to cause the Project to be financed through the issuance of the Bonds to be sold and awarded to the successful bidder or bidders (the "Purchaser") at public, competitive sale in accordance with the provisions of Chapter 424 of the Kentucky Revised Statutes, as amended.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY OF NEWPORT, KENTUCKY, as follows:

SECTION I

Section 1 -- Necessity, Authorization and Purpose. The City hereby declares that it is desirable and necessary to issue, and hereby authorizes the issuance, of its General Obligation Bonds, Series 2021 in the aggregate principal amount of \$11,720,000, subject to a permitted adjustment (the "Permitted Adjustment") increasing the principal amount of Bonds awarded to the purchasers thereof by up to \$1,170,000 or decreasing it in an amount deemed by the city to be in its best interest, for the purpose of (i) paying the costs of the Project and (ii) paying the costs of issuance of the Bonds.

The exact principal amount of Bonds to be issued shall be established in the Certificate of Award (as hereinafter defined).

Section 2 – Form of Bonds. The Bonds shall be issued as fully registered Bonds, shall be designated "General Obligation Bonds," together with a series designation indicating the year in which the Bonds are issued, and shall each express upon their face the purpose for which they

are issued, that they are issued under the Act and shall be substantially in the form set forth in Annex A.

The Bonds shall be in denominations as requested by the Purchaser, which shall be in integral multiples of five thousand dollars (\$5,000). The Bonds shall each be dated their date of initial issuance and delivery, or such other date as is determined in a certificate of award accepting the bids of the Purchaser (the "Certificate of Award") to be executed by the Mayor, City Manager or Chief Financial Officer of the City on the date of the sale of the Bonds.

Interest on the Bonds shall be payable semiannually on the first day of the months (an "Interest Payment Date") set forth in the Certificate of Award, commencing on the date set forth in the Certificate of Award, at the stated interest rate or rates on the principal amount thereof, calculated on the basis of a 360 day year with 30 day months.

The Bonds shall be serial or term Bonds maturing, on the basis of substantially level debt service, payable in the years and in the amounts to be established in the Certificate of Award after advertised competitive sale of the Bonds based on the interest rates set forth in the successful bid (the "Bid") and the provisions of this Section 2, provided that the final maturity date of the Bonds shall be no later than the end of calendar year 2041.

The interest rate or rates on the Bonds shall be determined in the Certificate of Award based on the Bid; provided that the aggregate net interest cost of the Bonds shall not exceed five percent (5.0%).

The Bonds issued as term Bonds shall be subject to mandatory sinking fund redemption on the dates, in the years and in the amounts as set forth in the Certificate of Award.

The Bonds shall be subject to optional redemption prior to their maturity on any date on or after the date established in the Certificate of Award, in whole or in part, in such order of

maturity as shall be designated in writing by the City, and by lot within a maturity, at the election of the City upon 45 days' written notice to U.S. Bank National Association, Louisville, Kentucky, the paying agent and registrar designated for the Bonds (the "Paying Agent and Registrar") at a redemption price equal to the par amount thereof, plus accrued interest to the date of redemption:

At least thirty (30) days before the optional or mandatory sinking fund redemption date of any Bonds, the Paying Agent and Registrar shall cause a notice of such redemption either in whole or in part, signed by the Paying Agent and Registrar, to be mailed, first class, postage prepaid, to all registered owners of the Bonds to be redeemed at their addresses as they appear on the registration books kept by the Paying Agent and Registrar, but failure to mail any such notice shall not affect the validity of the proceedings for such redemption of Bonds for which such notice has been sent. Each such notice shall set forth the date fixed for redemption, the redemption price to be paid and, if less than all of the Bonds being payable by their terms on a single date then outstanding shall be called for redemption, the distinctive series, number or letters, if any, of such Bonds to be redeemed.

On the date so designated for redemption, notice having been mailed in the manner under the conditions hereinabove provided and moneys for payment of the redemption price being held in the Bond Payment Fund (as hereinafter defined) by the Paying Agent and Registrar for the registered owners of the Bonds to be redeemed, the Bonds so called for redemption shall become and be due and payable at the redemption price provided for redemption of such Bonds on such date, interest on the Bonds so called for redemption shall cease to accrue, and the registered owners of such Bonds shall have no right in respect thereof except to receive payment of the redemption price thereof.

The Bonds may be issued in book-entry-only form through the services of the Depository Trust Company ("DTC"). If the City determines to issue the Bonds in book-entry-only form the Designated Officers (hereinafter defined) are authorized to execute all documents necessary to accomplish such form of issuance.

Section 3 -- Execution and Delivery. The Bonds shall be executed by the manual or facsimile signature of the Mayor and duly attested by the manual or facsimile signature of the City Clerk (which, together with any other person as may be authorized by resolution are referred to as "Designated Officers"). Additionally, the Bonds shall bear the manual authenticating signature of the Paying Agent and Registrar. The Designated Officers are further authorized and directed to deliver the Bonds to the Purchasers, upon the terms and conditions provided herein, in the Certificate of Award and in the Bids for the Bonds, receive the proceeds therefor, execute and deliver such certificates and other closing documents and take such other action as may be necessary or appropriate in order to effectuate the proper issuance, sale and delivery of the Bonds.

The City authorizes and directs the Paying Agent and Registrar to authenticate the Bonds and to deliver the Bonds to the Purchasers upon payment of the purchase price thereof.

Section 4 -- Payment. Payment of or on account of the interest on and principal of the Bonds shall be made directly to the Paying Agent and Registrar for the account of the registered owner. Interest on the Bonds shall be payable by check, mailed to the person whose name appears on the fifteenth day of the month preceding an Interest Payment Date on the bond registration records as the registered owner, on each Interest Payment Date or by other transfer of funds acceptable to such registered owner and the Paying Agent and Registrar. Principal shall be payable in such coin or currency of the United States of America as shall be legal tender for the

payment of public and private debts at the time and place of payment upon delivery of the Bonds to the Paying Agent and Registrar or by other transfer of funds acceptable to the Paying Agent and Registrar and such registered owner. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bonds to the extent of the sum or sums so paid.

Section 5 -- Filing. The Designated Officers are hereby authorized to undertake and cause all filings which may be required by law to be filed by the City with respect to the Bonds, including, but not limited to, the filing with the State Local Debt Officer required by law.

Section 6 -- Bond Payment Fund; Payment of Bonds. There is hereby established with the Paying Agent and Registrar a bond payment fund in the name of the City to be known as General Obligation Bonds, Series 2021 Bond Payment Fund (the "Bond Payment Fund"), into which the City covenants to deposit, and into which the Designated Officers are hereby authorized and directed to deposit from the Sinking Fund (hereinafter identified), on or before the twenty-fifth day of each month which precedes an Interest Payment Date, the amount required to pay principal of and interest due on the Bonds on such Interest Payment Date. The Paying Agent and Registrar shall, without further authorization from the City, withdraw from the Bond Payment Fund, on such Interest Payment Date, the amounts necessary to pay principal of, and interest on, the Bonds to the registered owner of the same.

The Paying Agent and Registrar is hereby appointed depository of the Bond Payment Fund with respect to the Bonds.

If the City shall fail or refuse to make any required deposit in the Bond Payment Fund from the Sinking Fund, the Paying Agent and Registrar shall (i) notify any agency of the Commonwealth of Kentucky or any political subdivision thereof which may collect and distribute taxes or revenues for the City to seek any available necessary or proper remedial

action; and (ii) upon being indemnified against cost and expense, exercise any remedy provided in the Act or at law or in equity for the benefit of the owner of the Bonds or its assignee, and shall disburse all funds so collected to the owners of the Bonds as payment of the Bonds.

Section 7 -- General Obligation. The Bonds shall be full general obligations of the City and, for the payment of said Bonds, and the interest thereon, the full faith, credit and revenue of the City are hereby pledged for the prompt payment thereof. During the period the Bonds are outstanding, there shall be and there hereby is levied on all the taxable property in the City, in addition to all other taxes, without limitation as to rate, a direct tax annually in an amount sufficient to pay the principal of and interest on the Bonds when and as due, it being hereby found and determined that current tax rates are within all applicable limitations. Said tax shall be and is hereby ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers in the same manner and at the same time that taxes for general purposes for each of said years are certified, extended and collected. Said tax shall be placed before and in preference to all other items and for the full amount thereof provided, however, that in each year to the extent that the other lawfully available funds of the City are available for the payment of the Bonds and are appropriated for such purpose, the amount of such direct tax upon all of the taxable property in the City shall be reduced by the amount of such other funds so available and appropriated.

Section 8 -- Maintenance of Sinking Fund. There has previously been established the Sinking Fund with the City in accordance with the requirements of the Act, which is hereby ordered to be continued and maintained so long as any Bonds are outstanding. The funds derived from said tax levy hereby required or other lawfully available funds shall be placed in the Sinking Fund and, together with interest collected on the same, are irrevocably pledged for

the payment of the interest on and principal of all bonds issued under the Act and Tax-Supported Leases, as defined in the Act, when and as the same fall due. Amounts shall be transferred from the Sinking Fund to the Bond Payment Fund at the times and in the amounts required by Section 6 hereof.

Section 9 – Approval of Preliminary Official Statement and Official Statement; Sale of Bonds; Certificate of Award. The City hereby authorizes the use of a Preliminary Official Statement, including the Official Bid Form and Official Terms and Conditions of Bond Sale to be prepared by the City and its Financial Advisor, ratifies the public distribution of such Preliminary Official Statement and authorizes the Financial Advisor for the City to complete the Preliminary Official Statement to reflect the interest costs to be borne by the Bonds and other relevant facts to serve as the City’s Official Statement regarding the Bonds. Each of the Mayor, City Manager and Chief Financial Officer of the City is further authorized to declare the Official Statement to be “final” for purposes of Securities and Exchange Commission Rule 15c2-12.

The Designated Officers are hereby directed to sell the Bonds to the Purchaser at advertised competitive sale, the final principal amount of, the principal amortization of and the interest rate or rates on the Bonds to be established in accordance with the requirements of Sections 1 and 2 hereof and the Certificate of Award. The Mayor is hereby authorized to execute the Certificate of Award without further action of the Board of Commissioners setting forth the terms of the Bonds and any other provisions required by and not inconsistent with this Bond Ordinance.

Section 10 – Bonds Registered Owners; Transfer; Exchange. As long as the Bonds executed and delivered hereunder shall remain outstanding, the Paying Agent and Registrar shall maintain an office for the Registration of such Bonds and shall also keep at such office books for

such registration and transfers. The registered owner of the Bonds, as set forth in the registration books maintained by the Paying Agent and Registrar on the fifteenth day preceding an Interest Payment Date, or its assignees, for purposes of this Bond Ordinance, to the extent of its interest, shall be treated as the owner of the applicable Bonds and shall be entitled to all rights and security of the owner of the Bonds hereunder.

Upon surrender for registration of transfer of Bonds at the office of the Paying Agent and Registrar with a written instrument of transfer satisfactory to the Paying Agent and Registrar, duly executed by the registered owner or the registered owner's duly authorized attorney, the Paying Agent and Registrar shall execute and deliver, in the name of the designated transferee or transferees, one or more Bonds of the same series of any authorized denomination and of a like tenor and effect.

All Bonds, upon surrender thereof at the office of the Paying Agent and Registrar, may, at the option of the registered owner thereof be exchanged for an equal aggregate principal amount of Bonds of the same series of any authorized denomination.

In all cases in which the privilege of exchanging or transferring Bonds is exercised, the Paying Agent and Registrar shall execute and deliver Bonds in accordance with the provisions of this Section. Every such exchange or transfer of Bonds, whether temporary or definitive, shall be without charge; provided that the Paying Agent and Registrar may impose a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer.

Section 11 -- Disposition of Proceeds of Bonds. The proceeds of the sale of the Bonds shall be deposited, together with other available funds of the City, as follows: (a) the amount determined by the Designated Officers as being necessary to finance the acquisition, construction, installation and equipping of the Project shall be deposited to a special construction fund (the "City of Newport 2021 Construction Fund") to be held by the construction fund depository designated in the Certificate of Award (the "Construction Fund Depository") and used for the acquisition, construction, installation and equipping of the Project, and (b) the remainder of the proceeds of the Bonds shall be deposited to a special cost of issuance fund hereby directed to be established and designated as the "City of Newport, Kentucky General Obligation Bonds, Series 2021 Cost of Issuance Fund" (the "Cost of Issuance Fund") and used to pay the costs of issuance of the Bonds.

Section 12 -- Further Actions. In connection with the undertaking and implementation by the City of the plan of financing herein described, which is hereby expressly directed, the Designated Officers are hereby authorized and directed to take and carry out such further necessary, desirable or appropriate actions to effect such plan of financing.

Section 13 -- Discharge of Bond Ordinance. If the City shall pay or cause to be paid, or there shall otherwise be paid, to the owners of the Bonds the total principal and interest due or to become due thereon through maturity, in the manner stipulated therein and in this Bond Ordinance, then the pledges made under this Bond Ordinance, and all covenants, agreements and other obligations of the City hereunder, shall thereupon cease, terminate and become void and be discharged and satisfied.

Section 14 -- Severability. If any one or more of the provisions of this Bond Ordinance should be determined by a court of competent jurisdiction to be contrary to law, then such

provisions shall be deemed to be severable from all remaining provisions and shall not affect the validity of such other provisions.

Section 15 -- Inconsistent Actions. All prior ordinances, resolutions, orders or parts thereof inconsistent herewith are hereby repealed.

Section 16 -- Open Meetings Compliance. All meetings of the Board of Commissioners and of its committees and any other public bodies, at which the formal actions in connection with the issuance of the Bonds were taken, or at which deliberations that resulted in such formal actions were held, were open meetings, and such formal actions were taken and any such deliberations took place while such meetings, after proper notice, were open to the public, in compliance with all legal requirements including KRS Sections 61.805 through 61.850.

Section 17 -- Effective Date. This Bond Ordinance shall become effective immediately upon adoption and publication of a summary thereof, as provided by law.

SECTION II

That this Ordinance shall be signed by the Mayor, attested to by the City Clerk, recorded, and effective upon publication of a summary thereof.
