Dear Newport Resident:

The City of Newport has established the following policy concerning designation of accessible parking spaces for those with disabilities. Individuals requesting designation of accessible parking spaces for those with disabilities must:

- Obtain a handicapped license plate through the Campbell County Clerk's Office, as provided for in KRS 186.042;
- Provide a copy of vehicle registration with application;
- Have no available off-street parking;
- Pay a one-time, non-refundable fee of \$57;
- Complete and submit the attached application.

The requirements above must be completed on an annual basis or at any time requested by the Newport Police Department.

The installation of a sign designating an accessible parking space for those with disabilities should in no way be interpreted or considered as a parking space for your exclusive use. Any person with the appropriate license plate insignia or other such permit designation shall be entitled to utilize the space.

Thank you for your cooperation in following these requirements. If you have questions, please feel free to contact the Newport Police Department at 859.292.3680.

Sincerely,

Christopher Fangman,
Chief of Police
